Ming De International School was established in 2021 to serve the educational, spiritual, and cultural needs of students interested in pursuing Sinology. Ming-De is an Independent Primary School that is accredited with the Non-State Schools Accreditation Board. Our aim is to foster spiritual, intellectual, physical, and social development in each student through participation in programs of study and other activities appropriate to their diverse needs, abilities, and aspirations to foster the core values of Sinology and the teachings of the Buddha.

The Australian curriculum is taught using a bi-lingual mode based on the principals of Content and Language Integrated Learning (CLIL). Further support and guidance is given to our students through the teaching of Religious and Moral Course, the tenets of Guidelines for Being a Good Person and Ancient Chinese Reading to embrace the principles of Sinology and the teachings of the Buddha in their daily living. Students are encouraged to practice the virtues of filial respect, interpret the stories of Morality and Ethics, and follow sages and saints as their role models and, commit to developing an active and healthy lifestyle that respects all beings and the environment around them.
